

## **SII Candidate Policy 7: Transfers, Withdrawals, Re-sits and Late Entries**

This policy provides guidelines and prices for transferring, withdrawing, re-sitting an examination, and late entry information.

**Candidates may only withdraw from an examination in the case of illness or bereavement. In this case, an alternative examination date may be offered free of charge or the examination fee will be refunded less a £20 administration fee.** Full written details (by letter or email) and original relevant medical evidence must be submitted to the Operations Manager within 48 hours of the original examination date. The medical evidence must cover the date of the examination.

For information regarding candidates indisposed on the day of the examination, please refer to the SII Special Consideration ([see section 2 of this document](#)).

Requests to transfer an examination booking to another date must be made in writing (by letter or email). Transfers can only be made for the same subject, and the new examination date must be provided when the transfer request is made.

Examination bookings cannot be transferred to another candidate.
